

“Bring Health Back to Healthcare”

ADP Trifecta

 360° Patient Management

an Allscripts Solution Center

Dr. Jim Morrow, MD
Family Physician

Morrow Family Medicine, Cumming, GA.

Dr. Jim Morrow is “just a country doc” seeing 80 patients a day and using Allscripts Pro systems in his busy practice. Their motto and desire is to “bring health back to healthcare” and the *ADP Trifecta* helps them do just that.

Solution: Health Desk, Patient Xpress, eDoc4U

Results:

- Improved patient experience
- Providers focus on Patients not technology
- Streamlined operations – no scanning, discrete data integration with Allscripts
- Increased financial performance
